## SECURITY TIPS

- Beware of fraudsters sending SMS to update KYC/PAN etc. with a link redirecting to a webpage similar to SBI INB/YONO SBI login page. Bank never sends such messages or gets such work done over phone/SMS.
- Never click on any link received through SMS/Email for any financial or banking activities.
- Don't share confidential personal information like Account Number, Date Of Birth, ATM PIN with anyone over phone or by anyother means.
- Never share your OTP/User ID, MPIN, Password or other Credentials with anyone. Bank will never ask OTP/or such Credentials.
- Don't enter your credentials without ensuring genuineness of the website. Fraudsters create fake websites alike Bank's applications. Please check the sites when you access them on the request direction of some other person to get some work done.
- Stay Safe! Stay Vigilant!
