

Leading Teams for Synergy

Overview

This two-day programme on building and leading effective teams is focused on forming the right team with complementary skills; understanding of the dynamics of a team and ways of motivating a team. In today's age, when organisations have many different teams that need to work in tandem with each other to achieve goals, it assists them in appreciating the need to build synergies across teams and provides them tools to do so.

Objective

- Building effective teams
- Understanding the dynamics and development of a team
- How to motivate the team and keep it motivated
- Breaking the barriers of silos and building synergy across teams

Commercials

- ₹ 15000/- per person per day plus GST (including accommodation, food, classroom and other facilities available on campus, and faculty support charges)
- 10 % discount to organisations nominating more than 10 persons

Duration: 2 days

Who should attend –
Senior and middle level executives.
