Pric	ce Bid of Interior works for Kashi Kachi Class room at S Gurugram.	tate Bank	k Academy	Campus ·	1, Sector 18,
S.No	Description	Units	Qty.	Rate	Amount
	Dismantling works				
1	Dismantling of ceiling, partition & panelling with door	Sqm	470.00		₹ 0.00
	Dismantling false ceiling partition, & panelling with door including disposal of unserviceable surplus material beyond bank premises upto dumping yard identified by local authorities and as directed by Engineer-in-charge .				
2	Dismantling of Platform	Nos	2.00		₹ 0.00
	Removal of any type of flooring with mortar without disturbing the slab / structure / wall/ by manual or mechnical means at all height & leads including carting away the waste to municipal dumping yard.				
3	Dismantling Floor/ wall Tile with stone	Sqm	168.00		₹ 0.00
	Removing floor / wall tiles with stone i/c base mortar and disposal upto municipal dumping yard well before submission of bill.	oqm	100.00		(0.00
4	Dismantling Brick works	Carr	4.00		₹ 0.00
4	Dismantling of brick walk including mortar & door frame without disturbing the slab / structure / wall/ by manual or mechnical means at all height & leads including carting away the waste to municipal dumping yard. The site and premises to be cleared of dismantled serviceable/unserviceable material. i.e. disposal of all dismantled material beyond bank premises upto dumping yard identified by local authorities	Sqm	4.00		₹ 0.00
	Total Dismantling works				₹ 0.00
	Civil works				
1	AAC block work				
	Providing and laying autoclaved aerated cement blocks masonry with 100 mm thick AAC blocks in super structure above plinth level up to floor V level in cement mortar 1:4 (1 cement : 4 coarse sand).	Cum	21.00		₹ 0.00
	For Raise floor & Masonry work				
2	Providing and laying in position cement concrete of specified grade including the cost of centering and shuttering - All work above plinth level: 1:2:4 (1 cement: 2 coarse sand (zone-III) derived from natural sources: 4 graded stone aggregate 20 mm nominal size derived from natural sources)	Cum	6.00		₹ 0.00
	12 mm compat plactor of min. 1.4 (1 compat. 4 P				
3	12 mm cement plaster of mix : 1:4 (1 cement: 4 coarse sand) on exposed surfaces.	Sqm	38.00		₹ 0.00
4	Providing and fixing RCC Lintel 75mm thk. for 230 mm thick for lintel with 4 Nos. 12mm dia & ring 8 mm dia reinforcement TMT bars@ 200 c/cs. The concrete to be used to have 1:1.5:3 mix (1 cement: 1.5 coarse sand: 3 stone aggregate 12mm nominal size). Item includes necessary scafollding, curing and finishing in 12mm thk. plaster on under side complete as per instructions of Architect/ Bank's Engineer. (inculding shuttering)	Sqm	1.50		₹ 0.00
	Total Civil works				₹ 0.00

С	Flooring works		T T	
1	Vitrified tile Flooring at 1200 x 1200mm	Sqm	135.00	₹ 0.00
	Providing & laying GVT vitrified floor tiles 1200 x 1200 mm marble	oqiii	133.00	(0.00
	series shade as per approval and skirting, in true level, in all light			
	colours & Shades, With water absorption less than 0.08% &			
	confirming To IS:15622 of approved make, fixed with chemical			
	adhesive,polymer modified Mortar Lacticrete 252 Silver, or AGL -PG			
	600 as per company specification, laid over average 10-12mm			
	thickness including grouting with white cement and Matching			
	pigments etc. complete. Tiles to be fixed over existing tiles/any			
	flooring, or PCC 1:4:8 where necessary.Provisions for services			
	below to be made wherever necessary of subfloor. (Basic Rate Rs. 900/sam)			
	900/sam1			
2	Wooden Finished Vitrified Tile	Sqm	29.00	₹ 0.00
	Providing & laying wooden finished vitrified floor tiles 150 x 600			
	mm shade as per approval and skirting, in true level, in all light			
	colours & Shades, With water absorption less than 0.08% &

	below to be made wherever necessary of subfloor. (Basic Rate Rs.			
	900/sqm)			
	700/54mj			
3	18mm thick Granite Border			
	Providing and fixing 18 mm thick gang saw cut, mirror polished,			
	premoulded and prepolished, machine cut for Border, Thershold			
	facias and similar locations of required size, approved shade,			
	colour and texture laid over 20 mm thick base cement mortar 1:4			
				T 0 00
	(1 cement : 4 coarse sand), joints treated with white cement, mixed	Sqm	9.00	₹ 0.00
	with matching pigment, epoxy touch ups, including rubbing,			
	curing, moulding and polishing to edges to give high gloss finish			
	etc. complete at all levels. (Basic cost of granite stone Rs.200/-			
	Sq.ft)			
	Total Amount for Flooring works			₹ 0.00
D	False ceiling works			
	False ceiling finished with 1mm thick laminate of approved			
1	shade over flexible ply	Sqm	178.00	₹ 0.00
i	Providing ceiling with forming curve corners at both ends with			
•	partition / wall panelling . Frame to be made with aluminum			
	framework of 50 x 50 x 1.6 mm thick tube weight not less than 0.836			
	kg/mt with a maximum distance of 450 mm c/c both ways			
	(horizontal/vertical). Fixing 12mm MR grade plyboard to be fixed			
	all around and finished with 1mm thick laminate of approved shade			
	over flexible ply with appropriate curvature .			
	Total Amount for False ceiling works			¥0.00
	rotal Amount for Paise cening works			₹ 0.00
Е	Partition works			
1	Door with frame	Sqm	9.00	₹ 0.00
i	Removing, Providing and fixing engineered wood LVL door frame	-		
	and doors			
ii	Door frame 100 x 60 with frame and architrave			
	Doors with tubular core door with LVL stilt & rail, HDF cross bank			
iii	and laminated surfaceing of HMR grade (high mositure resistance)			
	matching edge banding as all four sides and a complete laminated finish.			

iv	Door thickness 44mm			
v	Door frame 90mm			
	Architrave of size 50 x 12mm shade Arizona Oak of Greenlam or			
vi	equivalent			
	including supply and fixing cost of ISI marked SS butt hinges of 1			
	nos. concealed door closer (Ozone/ Droma/Hattich) & mortric lock,			
	including fixing the fixtures to door with required number of			
	screws, bolt and nuts including labour charges for fixing the frame			
	in position, fixing the shutter to the frame etc.,			
	in position, fixing the shutter to the frame etc.,			
2	Sliding and folding Acoustic partition up to false ceiling level			
	Providing and fixing "Variflex" operable partition of Dorma make			
	consisting of series of individual flat elements of 85mm thick			
	travelling along the ceiling track assembled to form a solid wall. The			
	sound insulation of the operable partition should be 50db. Elements			
	must be constructed of a torsion-free steel horizontal tube frame			
	and torsion-stiff vertical aluminium profiles, bolted together to			
	make the element strong and sturdy. The frame must be clad either			
	side with 16mm MDF panels hung in acoustic free suspension from			
	the panel frame. The elements must be inter-connected by means of			
	a positive locking concave/convex aluminium profile with an			
	integrated magnetic strip and sealing lip having a linear attraction of			
	40N/m. Each element must have a spindle mechanism which should			
	be connected to the spring loaded top and bottom retractable seal.			
	The spindle mechanism should be operated manually by a bayonet			
	connected crank handle that acts as a lock in function during			
	cranking process. The horizontal top and bottom seals must be			
	extended manually by crank handle and should ensure a contact			
	pressure of 800N when the seals are completely extended. The seal			
	spindle mechanism must be accessible while the panel is hanging for			
	Wall disconsisted WALLA 5500 and (consequently of the			
	Wall dimensions: WALL A- 5500mm (approx. wide) X 2900mm	Sqm	17	₹ 0.00
	(approx.high)- 4 to 6 PANELS- CENTER STACKING- 1 run			
3	Sound Barrier Partition above Operable Sliding/Folding			
	Providing and fixing to the required profile and shape 2 layers of			
	12.5mm thickGypsum board on GI framework comprising			
	40x40x18G galvanized tubular frame 610x610mm centre to centre			
	fixed on Roof Structure with 40x40x5 MS cleat, 100mm long 1200			
	c/c and ceiling framework with welded connections. The Gypsum			
	board to be backed with 50mm thick resin bonded fiberglass cut to			
	size and inserted in GI framework and held in place with 28G x			
	12mm GI wire netting. The first layer of Gypsum board to have			
	joints over frame and second layer of Gypsum board tohave joint	Sqm	10	₹ 0.00
	staggered with respect to the first layer, all joints between board in			
	both layers to be taped with paper tape and filled with sealing			
	compound. Gypsum board layer to be sealed at junction with Roof			
	sheeting / structure and false ceiling below with the non-hardening			
	mastic compound, so as to provide smooth surface.Entire work to			
	be done as per drawing, specifications and as per directions of			
	Engineer-in-charge.			
4	UPVC window & Glazing

1	Supplying fitting and fixing Roller Blind with 100% Polyester fabric (plain/ ribbed fabric of approved colour and shade). Nominal thickness of fabric shall be 0.60-0.80 mm and nominal weight 255 - 450 grams per square metre, hanging excellent hanging properties and very high tearing strength, Coating of the fabric shall be of Acrylic, which shall be resistant to cracking and fraying. The fabric shall be suspended from the top channel made of extruded anodised alloy of 1.25-2.00 mm nominal thickness and 38 mm nominal diameter. The top channel shall be fixed with powder coated mild steel brackets with clutch assembly on either end of blind, fixed to jambs of the window opening with 50 mm stainless steel screws with heavy duty PVC wall (RAWL) plugs.	Sqm	12.00	₹ 0.00
	The operating mechanism fixed to the top channel shall be made of high strength ABS plastic having ultra-smooth gear with spring booster of high carbon steel. The mechanism shall be operated with tilt chain having 4.50 mm balls made of ABS plastic linked with 1.50 -2.00 mm polyester chord. The mechanism shall allow the blind to stop in desired position with the help of stop lock. The bottom channels shall be of aluminium tube of 21 mm nominal diameter and 1.50-2.00 mm nominal thickness. The fabric shall be enclosed in suitably created pocket along the tubes, which shall be closed from side with end caps of same colour to the bottom roller. All exposed components of the roller blind shall be of milky white colour. (Basic rate Rs1500/sm)			
	Make: Aerolux, Vista levelor, Mac, Dack			
2	Providing and fixing Pin- up Boards with 12 mm thk. MR Ply board with cloth of approved shade and fabric of basic rate Rs. 200/ per m. on top. MR Ply board to be fixed with teak wood mouldings of 19 x 25mm size with melamine polish etc. complete to the satisfaction of Architect/Bank's Engineer.	Sq.Mt	2.00	₹ 0.00
3	Providing & fixing pelmet above interactive white board as per drawing made up of 18mm MR Plywood shape as per design and length as per drawing with 1mm thick laminate on top and exposed surfaces. Edge shall be 15mm thick with teak wood beading with polish melamine finish complete to the satisfaction of Architect/Bank's Engineer.	Sq.Mt	7.00	₹ 0.00
