Reason for Nomination (If Contract awarded on Nomination Basis)	Pension database runs on HP servers and it has been rigorously tested and fine-tuned on this server. Therefore HP servers were procured for enhancing the capacity of pension hardware for catering to additional load on account of merger of Associate Banks and upcoming new pension businesses, as well as application performance improvement. The price of required HP hardware is already discovered vide RFP no. SBI /TECH.OPS /15-16/239 dated 11.02.2016, in which M/s Tata Consultancy Services is the L1 bidder. The order value for pension hardware is within 25% of the total value in the above RFP.
