

SBI FAST

CASH MANAGEMENT PRODUCT - STATE BANK OF INDIA

A BRIEF INTRODUCTION: SBI STATE BANK OF INDIA provides cash management services to Corporate Clients under the brand name SBI FAST (Funds Available in Shortest Time).

SBI FAST ensures optimization of collections and payouts while ensuring predictability in the cash flows.

SBI FAST ensures getting Funds in time, quick transfers, account reconciliation, easy disbursements, controlled processes and customized MIS.

SBI FAST eliminates the inherent delays of the traditional funds transfer mechanism and enhances liquidity to ensure optimum planning and utilization of funds.

SBI FAST also offers File upload facility on our web based portal and provides complete Host to Host facility (a secure, seamless file transfer facility)

FEATURES & BENEFITS: Centralized Control of cash.

Interest Cost reduction on borrowings.

Enhanced Liquidity.

Interchange of Information between Treasury & Operating units. Cash forecasting & scheduling. Effective control over disbursements.

Efficient Financial Management. SBI FAST Cash Management Services Offerings: 1. COLLECTIONS: a. LOCAL COLLECTIONS: (Cheques/drafts etc)

Collection of instruments tendered at various CMP collection centres. Depending on the clearing practices prevailing at the various centres (i.e. Day-0, Day-1, or Day-2), credit is afforded, as mandated, to the client's main account at the pooling centre the same day as the proceeds are cleared.

Convenient collecting locations across the country with pooling facility at any of our branches as per client's choice, which are physically connected to our central hub at Mumbai.

Instruments can be deposited at the collection centers either by their dealers/distributors/representatives or through couriers as per the arrangement.

Client is not required to open any account at the Centre from which this facility is availed.

Collection of instruments in General/MICR Clearing, drawn on local branch and drawn on other local SBI/other bank Branches.

No correspondent arrangements. Collections are handled exclusively through our own network and hence cost effective.

SBI is the acknowledged leader in the collection services. Centralized Reconciliation Support.

b. OUTSTATION CHEQUES COLLECTION:

☐ Outstation Cheques can also be deposited at our CMP Cell branches .

☐ Outstation cheques drawn on our own branches are paid the same day at very concessional charges and cheques drawn on other banks are credited after clearance. On selective basis and with RM's recommendations credits can be afforded on Guaranteed Credit (GC facility) basis provided necessary limits are carved out by the branch where CC is maintained.

c. CASH COLLECTION:

☐ We also offer the facility of Cash Deposit at our CMP Cell branches on CMP software which facilitates automatic pooling of funds with MIS.

☐ Cash pick up facility from client's end available at most major centres

d. UNCLEARED FUNDS:

☐ Option of credit against Uncleared Instruments presented in General/MICR or High Value clearing offered selectively at Bank's discretion.

☐ A limit is required to be carved out for this facility.

e. BALANCE SWEEP:

☐ Transfer of day-end-balances in collection accounts maintained at various CMP centres across the country to the pooling account.

☐ Clients can use the account for crediting local and outstation collections as well as for meeting payments and the residual balance at the end of the day swept to the main account.

☐ Swept balances can be swept back to the respective accounts by reverse sweep at the beginning of next day.

f. DEBIT TRANSFERS:

☐ Debit Balances in operating accounts, where drawals are permitted up to a pre-fixed daylight limit, maintained at CMP centres transferred to the main account at the end of the day.

☐ The facility dispenses the use of allocated limits and thereby ensures better control, for the client over debits.

g. CUSTOMISED MIS:

☐ Daily presentation/credit/return reports provided to the representative/dealer at the local centre.

☐ Daily location-wise/product-wise presentation/credit/return reports are provided to the Corporate Office through E-mails.

☐ Customized weekly/fortnightly/monthly consolidated reports in soft-form, compatible with the clients accounting system, through E-Mail for easier and speedier reconciliation.

☐ Daily Credit forecast reports through E-Mail.

☐ Uncluttered/Pure MIS is our USP since the product is operated entirely through SBI's own network.

h. ELECTRONIC COLLECTIONS:

1) DIRECT DEBIT

☐ For Collection of invoice payment from Dealers, SIP/Premium etc.

☐ Payment can be pulled from any account at any of our CBS 15,000+).

☐ Mandate of Account holders required, which is validated by us.

2) RTGS/NEFT RECEIPTS

☐ Dealer codes are set up by the corporate.

☐ Funds received through RTGS/NEFT modes are credited to the Corporate pooling Account.

☐ MIS is generated giving Dealer Name, Invoice no and amount received.

PRICING

The pricing of the product is competitive but volume driven and depends on the location, type of facilities and amount of individual instruments.
