2. The generator must have hour meter and the fuel cost reimbursement will be done according to running hours basis of DG set. The same must be checked and verified by the SBILD official for monthly payment. For calculating the cost of diesel, the last day of the month diesel price will be considered. In addition to that volt meter, ammeter, frequency meter, RPM meter and MCCB of suitable rating must be installed in DG sets.

3. The vendor will have to supply and lay suitable length, size & capacity of armoured aluminum cable for connection from generator to Bank's change over.

4. The generator should be placed in the premises of Bank as earmarked by the branch.

5. The EMD of the successful bidder will be kept as security deposit with the bank for the contract period.

6. The vendor has to maintain the power cut, duration of operation of generator set log sheet in a register and to be counter signed daily with the Branch Manager.

7. The generator set should be less than 3 years old as on 01.09.2019. Proof of invoice etc. should be submitted at the time of supply.

8. Contractor shall arrange maintenance of generator set in regular interval for smooth functioning.

9. The initial period of contract shall be for 3 years, renewable for a further period of three years subject to satisfactory services. The final discretion is with the Bank for renewal of contract.

10. Vendor will have to operate the generator sets round the clock as and when required on 24X7. In case of requirement of the Bank the vendor have to operate the generator set on Sundays and Holidays. No any extra compensation will be paid in for operation on Sundays and Holidays.

**Signature with Seal of the Bidder**

11. The vendor has to follow and comply all the safety and security norms as recommended by the CPCB. Any expenditure incurred will be borne by the vendor.
12. The vendor shall be entirely responsible for any accident or injury to the operator and generator set. Any insurance in this regard to done by the vendor.
13. If the service of the vendor is found unsatisfactory, the Bank reserves the right to terminate the contract after giving one month's notice.
14. The successful vendor has to enter into agreement with the Bank on non judicial stamp paper.
15. The vendors are requested to visit the site before quoting the rate in the tender.
16. Conditional tenders are liable to be rejected.
17. Bank reserves the right to accept or reject any or all the tenders received without assigning any reason whatsoever.
18. Interested vendors may submit the following documents, duly signed, in the prescribed format placed in

**Envelop-I** marked as “**Technical Bid**”.
