^{16.0} **SIGNING OF CONTRACT DOCUMENTS**

The successful Bidder shall be bound to execute the Agreement within 15 days from the receipt of intimation of acceptance of his Bid/ the date of issue of work order by SBI. However, the written acceptance of the Bid by the SBI/Bank will constitute a binding agreement between the Bank and

successful Bidder pending execution of formal agreement. All expenses, stamp duty and other charges/ expenses in connection with the execution of the Agreement as a result of this tendering process shall be borne by the successful bidder.

^{17.0} **WORK EXECUTION**

17.1 The Contractor shall carry out and complete the said work in every respect in accordance with this Contract and with the directions of and to the satisfaction of the Employer. M/s SBI with approval of Bank issue further written instructions, detailed directions and explanations with respect to the specifications, design quality or quantity of works or the addition or omission or substitution of any work. SBI shall be free to carry pre-dispatch inspection as and when required. The vendor at their cost shall make all necessary arrangements for this purpose. Successful tenderer shall make arrangement a visit at their factory / works for inspection of elevator material before delivered.

17.2 Except where provided for in the description of the individual items in the schedule of quantities and in the specifications and conditions laid down hereinafter, the work shall be carried out as per standard specifications and under the direction of SBI/Employer.

17.3 The contractor shall forthwith comply with and duly execute any work comprised in such Employer's or SBI instructions, provided always that verbal instructions, directions and explanations given to the contractor's or his representative upon the works by the Employer's or SBI shall, if involving a variation, be confirmed in writing to the contractor/s within seven days. No works, for which rates are not specifically mentioned in the priced schedule of quantities, shall be taken up without written permission of the Employer.

17.4 Regarding all factory made products for which ISI marked products are available, only products bearing ISI marking shall be used in the work.

17.5 The contractor shall give due notice to the Employer whenever any work is to be covered up or finished up or otherwise becoming inaccessible later on, in order that the work may be inspected and correct dimensions taken before such covering, in default whereof the same shall, at the opinion of the Employer be either opened up for measurement at the contractor's expenses or no payment may be made for such materials. Should any dispute or differences arise after the execution of any work as to measurements etc., or other matters which cannot be conveniently tested or checked, the decision of the Employer shall be accepted as correct and binding on the contractor.

^{18.0} **MATERIALS, WORKMANSHIP, SAMPLES, TESTING OF MATERIALS**

18.1 All the works specified and provided for in the specifications or which may be required to be done in order to perform and complete any part thereof shall be executed in the best and most workman like manner with materials of the best and approved quality of the respective kinds in accordance with the particulars contained in and implied by the specifications and as represented by the drawings or according to such other additional particulars, and instructions as may from time to time be given by SBI during the execution of the work and to his entire satisfaction.

18.2 Samples of all materials to be used must be submitted when so directed by SBI. If required, the contractor shall have to carry out tests on materials in approved materials testing laboratories or as prescribed by SBI at his own cost to prove that the materials etc., under test conform to the relevant I.S Standards or as specified in the specifications. The necessary charges, transporting, testing etc., shall have to be borne by the contractor. No extra payment on this account will be entertained.

18.3 Any damage (during the work) to any part of the work or to the premises for any reasons due to rain, storm or neglect of contractor shall be rectified by the contractor in an approved manner at no extra cost.

18.4 Should the work be suspended by reason of rain, strike, lock-outs or any other cause, the contractor shall take all precautions necessary for the protection of work and at his own expenses shall make good any damage arising from any of these causes.

18.5 The SBI shall during the progress of the work have power to order in writing from time to time the removal from the work within such reasonable time or times as may be specified in the order of any materials which are not in accordance with specification or instructions, the substitution or proper re-execution of any work executed with materials or workmanship not in accordance with the specifications or instructions. In case the contractor refuses to comply with the order the SBI shall have the power to employ and pay other agencies to carry out the work.

18.6 When the employer observes that the progress of the work is not satisfactory or very slow or not in a workmanship manner or of poor quality or violative of safety protocols etc, the contractor shall be issued a suitable advise to rectify the same or replace the materials or redo the entire work, within a reasonable time frame. If the contractor could not rectify the things within the time frame given, in the interest of the work, the Employer reserves the right to execute any part of the work included in this contract or the entire work by any other Agency or persons and contractor shall allow all reasonable facilities and extend cooperation for the execution of such work.

18.7 All expenses consequent thereon or incidental thereto as certified by SBI shall be borne by the contractor or may be deducted from any money due to or that may become due to the contractor. No certificate shall relieve the contractor from his liability in respect of unsound work or bad materials.

^{19.0} **PERIOD OF CONTRACT & EXTENSION OF TIME:**

19.1 Time is the essence of the contract. The Contract shall be executed within the stipulated period in the NIT. No request for extension will be entertained and the bidder has to plan and mobilize his resources for the satisfactory completion of the project within the time period agreed in the tender.

19.2 If in the opinion of the Employer, the work is delayed due to the following reasons not attributable to the contractor, the employer shall make a fair and reasonable extension of time, for completion of the Contract works
